Wednesday Men's Club Play

Fee Breakdown and Payouts

The following breakdown will be used for the 2020/2021 Men's Club Golfing Season. The objective is to create a competitive environment that is fair for golfers of all abilities. Our course is fairly unique as far as its challenges and potential for scoring, especially for the higher handicap players.

Breakdown of Fees

Entry Fee: \$20

Men's Club	\$1	Collected and paid to Men's Club Acct.
Player of the Year Prize	\$1	Collected and paid to POY Acct.
Secret Skin (Full Field)	\$1	Cash Payout to winner
Closest to the Pin	\$2	Cash Payout with a max payout of \$15
Individual Low Net (Flighted)	\$5	Cash Payout within Flight
Individual Net Skins (Flighted)	\$5	Cash Payout within Flight
Team Blind Draw	\$5	Book Credit Payout

Two Flights will be created each week using course handicap. Participants will compete for Skins and Low Net within their respective flights. **Full handicap will be given to each participant for these events.**

The Secret Skin will be determined by randomly selecting a hole for the day. The entire field will compete for one pot. **90% of each individual's course handicap will be used for this event.** If a player has won a skin on the hole randomly selected, they will win the pot. If no winner, the pot will carry over to the next Men's Club Play Day event on Wednesday or Saturday.

The Closest to the Pins will be available on each par 3. Maximum payout will be capped at \$15 with any remaining funds to be allocated to the Men's Club.

The Blind Draw Teams will be determined once every player has gone out. Teams and format will be determined based on the total number participating. Payout will be issued in the form of credit that will be available for golf shop and restaurant purchases. **You may not use credits for rounds of golf, membership dues or any form of play pass.** Credits will have an expiration that will coincide with the end of the calendar year.

The Men's Club is vital to the continued growth of the Wickenburg Golf Club and routinely donates money for projects that improve the golf course and the operation. The \$2 fee and the money collected from dues enables the Men's Club to continue the tradition of supporting important improvement projects. Let's hope for a successful year for the Wickenburg Men's Golf Association.
